

Dear Business Owner:

On February 16<sup>th</sup>, 2019, JCI Florida (Jaycees) will be hosting the Congress of Outstanding Young Floridians Awards Ceremony (OYF). Recipients have stood out as local heroes. They are young leaders, who serve our communities in their professional and personal lives and have accomplished extraordinary things. The awards program will take place during the JCI Florida, at the International Palms Resort in Cocoa Beach, Florida. The Conference will be attended by Jaycee Members and guests from around the State.

JCI Florida gives young people between the ages of 18 and 40 the tools they need to build the bridges of success, in the areas of business development, management skills, personal and professional growth, community service, and international connections. For nearly a century, the organization has been a force for good throughout the State. Members have helped make a difference for example, by organizing and participating in countless projects to raise funds for a wide range of charitable organizations and causes, fed and clothed underprivileged families, given those families something to be thankful for during the holidays, and helped lobby for new airports and parks.

Our success depends upon the support and generosity of companies like yours!

Thank you in advance for your contribution and support!

**Award Sponsors: \$350 each**

All awards are given to leaders between the age of 18 to 40, except the high school student and pioneer awards. Here are the award categories (with the awards still available for sponsorship in bold):
